nu? so do we get to hear the recording?

Sorry, but I asked IT25 to let me first hear it and make sure it didn't record me saying anything private before I give my OK. Although, I'm 99.5% sure I'll OK it.

So IT? C'mon. Get the ball rolling.....

A call out from my sista?? Now that will make things happen. Yeah get moving it25. I will try to take care of it today. I was actually plannning on doing it yesterday before my day turned shver. Oh well.

Thanks Trying for Trying to understand, even if you are not Maskim. Maybe by the time the next kumsitz is held I will feel differently.

One more question and I hate being a nudge, but do you guys feel that the "exposure" has/is helping you in the struggle ?

Ovadia, read again what Elya wrote above. It's beautiful and deep.

It seems to me that, ideally, support groups ought to be face-to-face.

But the virtual internet support group has a major advantage--convenience!

You can check in and post whenever you want, but if you can't make it to a live meeting (or the 4am Israel time (IT) phone conference) then you just won't participate.

Reb Ovadia - I haven't met anyone in the group, and yeah, I'd be nervous about doing so. But I do have one friend (as well as my rebbe) who I can talk to about what I've done in the past, and that ability to open up and make this less of a secret, in real life, definitely helps.

Drag the darkness into the light!

Hello there guys! I've been wanting to join the forum months ago, but had no idea how to do it from my cellphone and i just had to be a bystander. With the help of it25 i'm in. I've been previously known as ilovehashem, if anyone noticed that in the emails! B'h i had the privilege to be at the first gye meeting. Although i came very late and didn't get to meet momo and levite, but i got to meet the rest and BETTER LATE THAN EVER! I'm so happy that i'm in, and looking forward to be on gye's adventures. Not to forget 'AL-TISYAEISH' guys!!!
