Although we dont need a big crowd we still have to

What do you mean imtrying25? This is the greatest recording I have ever heard. You only have to listen with your ears; your heart will then be forced to listen.

~~You see your making a mistake; it was your heart that allowed your ears to listen.~~

I just finished listening to it! Gosh, that was beautiful! I so much wish I'd been able to participate.

A very big Yashar Koach to everyone who was a part of this historical event.

Ah, semantics

And now for an inside scoop! Guard had been planning to attend, but Uri talked him out of it - it ;D
