

Kumzitz in the Holy Land

Posted by imtrying25 - 08 Dec 2009 16:48

We , imtrying25 and Uri, are trying to organize a kumzitz for all us Holylanders. I would of posted in annoucments but its locked. Ok im thinking next thursday night at around 6. Of course Uri will be there with his guitar to entertain us. Oh and by the way Guard and Mom are invited too. So if your interested please post here. Although we dont need a big crowd we still have to

feel its worthwhile. And maybe Guard can even work out a guest speaker for us.

I was the guy who was talking the whole time and playing the guitar

and momo was on the drums

and IT doesnt have a bathroom

he has a outhouse outside.

Well, I guess that's at least better than on outhouse INSIDE :D

lol, i know your voice uri, so i knew when you were talking...

momo, you should play with uri all the time! and record it!

For everyone who wants to hear the "Kumzitz in the Holyland.mp3" (50 MB), it can be downloaded at [this link](#).

Shkoach!

I've only started listening to it, but - AWESome!! WOOHOO!!!

I've started compiling a list of the things I liked in particular - 1) top of the list, so far, the way Uri was talking and strumming the chords to "tov lehodos" - it came out perfect, and beautiful! 2) Obviously, "outta control jew," plus momo on drums (you rock, too!)...

And by the way, IT25 - the recording may not be perfect, but it is VERY enjoyable to listen to!
Can I ask what kind of recorder you're using?

Yea I was wondering the same thing. The quality was approximately 147.682% better than I thought it would be.

Thanks! LOL.

It's my first public drumming performance.

I came in the middle and didn't stay until the end, so that's why there are no drums in the beginning and end of the recording, only in the middle.

Glad to get the positive feedback. I'll bring it again for Uri's goodbye party!

I did spend some bucks on the mike though.

Thanks for the compliment. It's nice to hear people are enjoying what I love to do.

=====

I've been getting a lot of compliments recently. I'll try not to get too egotistical.
