We , imtrying25 and Uri, are trying to organize a kumzitz for all us Holylanders. I would of posted in annoucments but its locked. Ok im thinking next thursday night at around 6. Of course Uri will be there with his guitar to entertain us. Oh and by the way Guard and Mom are invited too. So if your interested please post here. Although we dont need a big crowd we still have to

Heard all about it from the guest of honor himself.

feel its worthwhile. And maybe Guard can even work out a guest speaker for us.  
~~Sounds like it was amazing - of course~~

Cant believe Uri's leaving :'(

Are the people in the New York area planning on having a GYE kumsitz? I think that would be a great idea.

I think I'd get over my paranoia just to go...but the question is, where would we have it?

My take about last night.

**Absolutely beautiful!**

Thank you IT25 again for hosting a very special evening.

I found it was even better than the first one. Less awkward since most of us had already met each other.

Nice to see everyone, and to meet Loi Tisyaaish for the first time.

Very special for Kedusha to call in (thanks!)

I think the highlight was having Battleworn come. He added a sense of kedusha and leadership to the gathering. His divrei Torah were out of this world!

Guys who are in Israel and didn't come, you missed out big time. It was such a special evening; I can't stop thinking about it. The Torah, the singing (can't wait to hear the MP3!), the shmoozing. This wasn't about a bunch of lust addicts getting together, this was the connecting of 7 beautiful neshamot with one common goal giving each other chizuk just from the fact that we are going through this together and keep on trucking! Of course the fact that this gives us the opportunity to turn virtual relationships into real relationships is priceless.

I feel so lucky to have the zchus to be invited and have attended this, and I hope we do it again soon. I already suggested that at the latest, we do it again when Eye reaches 90 days (a month from now), if not sooner.

Again, to the super 7, thank you all for an absolutely beautiful and spiritual evening.

Thanks momo. You took the words right out of my mouth. Especially the part about the feeling less awkward. I thought the same thing. It felt much more comfortable this time. BH.

wow, looks like we're having a reunion right here online!

Kedusha and BW included!

I think Momo's at mincha, or he'd be here too.

And Uri..., well, we already said goodbye...

JK, someone's gotta work!!

Thanks trYiNg. But the true credit goes to the whole GYE family. And especially Guard.

Kedusha called in, not Guard.

Not more people. BW was there but Levite didn't come this time.
