What do you get when you fill a room with control freaks?
feel its worthwhile. And maybe Guard can even work out a guest speaker for us.

The most beautiful Chanukah Party/ kumzitz known to mankind???

Hmmmm. I'm debating if I should respond to this or not. OK, I will. I have my virtual reputation to

First, I was sort of joking around about us all being control freaks. It wasn't a warning, but a joke. Only sort of because I know I am, Uri is, and IT25 admitted it too. My guess is you are as well, but we'll see after I meet you :D (This is a joke, lighten up buddy!)

Next, I don't understand when you write "we guys are fighters, we do whats right not what we feel we should do." I'm not sure if you were including me or excluding me here. I think I am a fighter too because I do what I feel I should do, which is the same as what's right. No contradiction there in my mind.

You write "im prepared to do ANYTHING if it will help me one iota with my fight." Again, were you excluding me or including me. I am also doing anything necessary, like seeing a therapist, protect which is an investment in time, money, and emotional effort.

Got your PM, thanks.

Hmm. Now I see how I can read what Levite wrote in a totally different way. Maybe he meant that even though I'm doing crazy talk, he'll come because it's important for us for our recovery to make real friends. Maybe when he wrote "we" he WAS including me. If that's so, I apologize for misunderstanding you, Levite. It was my low self-esteem talking.
