We , imtrying25 and Uri, are trying to organize a kumzitz for all us Holylanders. I would of posted in annoucments but its locked. Ok im thinking next thursday night at around 6. Of course Uri will be there with his guitar to entertain us. Oh and by the way Guard and Mom are invited too. So if your interested please post here. Although we dont need a big crowd we still have to

Sorry if that was going to be your request, but the 'hentalach - all other songs' ratio over what i've heard over the last year is like 68-1, so we have to even it out a bit.

BTW this is a joke.

NP ... **u'll** b missing out.. I'll sit an eat my sushi here in peace and listen to ur recording.

Having a fave song is an idea!

How about 'Anovim, Anovim...Higeeyah Zeman..' (mbd) ?

beautiful song. Did you hear it on 8th note. I think Yossi Green is absolutly genius. In the jewish world forsure.

Do any of you guys have an mp3 player/recorder to record the kumzitz? With a bunch of voices, you'll each be less identifiable anyway...?

Thanks Levite. Please read the pm i sent out. Thanks for you for coming. It aint easy and we all recognize that. We all look up to eachother so much more that we are willing to take the extra step to get past this all.

TrYiNg: We sang anovim anovim. Not sure if it came out good or not. But we had you in mind.
