Free filters
Posted by OivedElokim - 24 Apr 2019 22:44

_____

This may or may not have a million threads already, but my free trial of internet filter (from MMG) on my fire tablet ended today and i fell....

Any recommendations for a:Free internet filter for Amazon Fire 8 or- if impossibleAn effective way to completely block or remove internet completely from my device.Thanks in advance!

Happy Pesach!

_____

I must mention that the Venishmartem wizard is very unhelpful and needs to be updated...

_____

You can go into your local TAG office. If you only want to block applications (ie Chrome or any other browser) and not filter 'em GenTech is free.
