

elevated recovery???

Posted by yitz1982 - 30 Dec 2022 04:04

Hi,

Has anybody heard of a program called - elevatedrecovery.org/survey ?

It's supposed to be a recovery program for business minded people.

I had a call with someone over there, it's very expensive and the fellow I spoke sounded a bit manipulative, but maybe there is something to it.

Would love to hear if anybody worked with them.
