

**COUNTDOWN!**

Dear forum,

Ok here's the deal. I have only 8 days until I go to camp.

I am on day #24 in my clean streak. When I go up to camp I have zero access to any pritzus. If I can stay clean from now until the beginning of camp I will be on a 32 day streak. Camp lasts for about 65 days. This would put me at 90 days.

Now, for me this would be amazing because the longest streak I have had since I was 15 years old which was 9 years ago was about 2 months.

I feel that the next 8 days until camp will be full of nisyonos but I'm going to take it one day at a time!

My friend, the yetzer hora is tricky... but you can make it. Stay on your guard. Live your life and

live it right. I am really happy that you see yourself as a victor. Much hatzlocha. Keep yourself together and b'simcha and you'll make it.
