

Free Phone Calls!!!

Posted by Ineedhelp!! - 26 Aug 2010 14:56

That's right. You read correctly. There is a way to get 100% free phone calls from your computer starting yesterday! Google has now made it possible to make free calls to anywhere within the U.S(International calls are still very cheap). All you need is a gmail account and a Google Voice number (which can be accessed here: www.google.com/googlevoice/landing/index.html#utm_source=en-ha-na-us-sk&utm_medium=ha&utm_term=google%20voice&utm_campaign=en) and youre on your way to attending the daily meetings that go on. Now there's no excuse not to be on the calls (atleast for me :D :D :D :D :D :D :D :D)

Bederech She'Adam Rotzeh Leileich, molichim otto!!! I have been waiting for God to send me this for months now!!

hatzlocha everyone!
