

Tehillim/Daven for me!!

Posted by jerusalemsexaddict - 06 Sep 2009 01:20

Ok so a couple of things.

First of all,I think we should all accept to say a perek of tehillim at least every day for the GYE family.

Many of us have a list of the people who frequent the forum and that is great,but whoever does not just try also to say just one perek a day for the family.

I further think that it would be great if we'd say the same perek together.It would really unify us and remind us that **we are not alone**

Sunday, the 17th of elul,september 6th we will be saying the first mizmor "Ashrei Haish".

That is the first thing.

The second thing is that people who are going through a tough nisayon that day can request that we daven for them special and I think that will give us an extra boost as we feel that everyone is really behind us.

This is different from the "Im about to fall" thread.this is more like im going through a very tough nisayon/time.please daven for me!

So that's the second purpose of this thread.

Sound good?
