

Tehillim/Daven for me!!

Posted by jerusalemsexaddict - 06 Sep 2009 01:20

Ok so a couple of things.

First of all,I think we should all accept to say a perek of tehillim at least every day for the GYE family.

Many of us have a list of the people who frequent the forum and that is great,but whoever does not just try also to say just one perek a day for the family.

I further think that it would be great if we'd say the same perek together.It would really unify us and remind us that **we are not alone**

Sunday, the 17th of elul,september 6th we will be saying the first mizmor "Ashrei Haish".

That is the first thing.

The second thing is that people who are going through a tough nisayon that day can request that we daven for them special and I think that will give us an extra boost as we feel that everyone is really behind us.

This is different from the "Im about to fall" thread.this is more like im going through a very tough nisayon/time.please daven for me!

So that's the second purpose of this thread.

Sound good?

Today's kapitel is perek 5.Lamnatzayach el hanechilos.

David begs Hashem to remove the enemies,not just for his safety,but also so that He can serve Him without distraction.

"For there is no sincerity in the mouth of any of them"

"And all who take refuge in You will rejoice,they will sing joyously forever"

Sorry letakain.

I had a rough week and friday i was exhausted emotionally and physically.

Today,Sunday,we will be saying perek 8,iy'h.

There are 2 basic themes in todays perek

1)Awareness of the tremendous majesty that Hashem holds over the universe,and how it can be found in every single thing.

2)The power that was given (a little surprisingly) to man and the heights he can reach.

May we use that power to make Hashem's name even greater!

Wishing everyone a happy and healthy day

TOdays perek is perek 9-Lamnatzayach al mos Laben(most mefarshim say he was an enemy of Dovid)

i could use the powerful tefillos from you guys

A most gevaldige mizmor.

In it Dovid goes on about Hashem's glory and unlimited might and compassion for His people.

He shows that our enemies have all dissappeared without a trace,and only Klal Yisrael shall remain.

"Hashem will be a fortress for the oppressed,a fortress in times of distress".

"And those who know Your Name will trust in You,for You have not forsaken those who seek You".

"Sing to Hashem Who dwells in Zion,proclaim His deeds among the nations."

"That the Avenger of blood has remembered them,He has not forgotten the cry of the humble".

"The peoples sank in their self-made pit,in the very trap they concealed,their own foot was ensnared".

"The wicked will return to the depths of the grave."  
Good morning chevre

Why is it that their memories shall fade so?

One could maybe answer that all that is real in this world is Hashem. All evil is an illusion, because evil is just that which lacks Godliness. Therefore, it is pashut that illusions are only temporal, while the Jews, the epitome of Godliness in this world, are forever.

Sorry if that was a little too deep, guys.

But this applies to us all too well.

Our desires seem so strong and so real.

They are such a powerful force, overtaking us.

Will it ever end????!!

Yes.

For desires are temporal, and impulsive.

The yetzer is a fleeting wave.

In the end, all shall remain...

is us...

and G-d.

Have a wonderful day
