

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

-uri

I guess that's another hug we have from Hashem - that we get to have Momo in our lives (even aside from the drumming)!

Thanks, man - I'm going to look at your message in my thread whenever I need a pick-me-up.

Thanks, man - I'm going to look at your message in my thread whenever I need a pick-me-up. Although right now, when I'm planning on going to sleep, and those bright colors have been burned into my retinas :D ;D...I think I'll be able to sleep anyway, I'll just have dreams about being someone special!

I hope that your week contains as much happiness as the joy you just shared with everyone who sees your messages!

Thank you so much for sharing that you correctly understood my intent. Every time I read that I brightened someone's day, that made it all worthwhile.

I'll try to ignore the minority of guys who wrote me stuff like "why are you spamming us" or "another copy and paste job!".

I did what I felt was right. Most people enjoyed it and I got a lot of positive feedback. I also had a

wow i never thought it was for you . i'm sorry i was one of the minority . :( i'm working on DAN  
L'KAF ZECHUS . obviously not so well. G-d bless you friend.  
blast yesterday! Not it's time for me to let go and let G-d.

LV, I'm sorry I brought it up again today. I'm sorry. :(

It was selfish of me. Please forgive me.

I forgive you.

You coming tonight?

I love LVs posts!

Just seeing the HUG thread always active is my daily hug.

Just wish more people would stop by and post here.

For *their* sakes...

I don't know if this counts as a hug, but...it's certainly Hashem waving at me. And that makes me happy.

Went to sleep really late last night, and planned on waking up early and driving home in time for shacharis. Unfortunately, I got lazy, and woke up late...at which point, it was already snowing (and I do NOT relisjh the thought of driving through this any more than I have to. What happened to "1 inch"??? ???).

Instant response to my own laziness...

Thank you hashem for being part of my life on a constant basis!
