

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

-uri

What i mean by a "wave," is that it's kinda His way of letting me know that he's there, involved in my life...and that's pretty cool.

oK SB thats seems cool to me.

now for a hug of a different color . there is an extremely beautiful young lady at my job that i have recently taken upon myself to completely avoid . it has been successful and with the reprieve i was able to push all the silliness that comes with looking, out of my head . but H' decided "no my little LV" and he sent her to me instead . BH' it was not a huge nisayon(though it did shake me up a bit). the matsav was clearly set up unintentially and even unwillingly on her part . it was just the message that struck me . why is this happening ? i have been working hard to avoid a certain situation and here that situation comes to me . why? to me it was clearly Yad H' saying ,theres no running away ,no hiding . you can't hide forever . its going to happen some

time and you have to be ready. i don't want avoidance alone i want a total picture . be on the job 24/7 . think differently . new reactions new responses . new nature .

i BH' stayed clean ,though my romantic side kept bugging me and i worked on my program of what i'm **supposed** to think about . i took it as a BIG chizuk from the BIG DADDY what i should be aiming for . total peace..... even in the face of sin ! :o

Awesome, 36!

In explanation - since I have more emotions, facial expressions, etc. than are offered in the emoticons here (or anywhere, really), I make up my own. So in that version, I wanted to put an

But now, I'm waving at you, too (which is also a band)!

my hug today

well, i started doing something i really like to do and H' is letting me . can't talk about it but i am feeling guided in my life . i often come to crossroads in my life where i need to make a decision one way or another . i don't know which way to go . so i choose what i think is best . then H' steps in and changes my course . either by throwing me a curve ball or taking away the option . its happened a few times and i'm wondering about it .

it seems like H' wants me to do what i think is best and start ,b/f he steps in . he lets me start and trust in him that this is right and then swings it around . it feels to me like his way but it is def. a hug.
