

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

You keep on counting your hugs, you just dont realise that Hashem never let go of you!!

he has you firmly in his grasp.

Good point, Reb G!

The truth is that we're pointing out the times when hashem's hug is noticeable to us - but it IS important to remember that he's constantly holding onto us!

The Ramban on parshas Bo explains that through the Nissim Geluyim we see the Nissim Hanistarim. same here. By looking for the obvious and open hugs we will end up seeing thst every second of the day is a another hug!!!

Ok. hugs are everywhere . i just need to find them . i realized that i blame H' for a lot of things that are my decisions and my fualt . that keeps me from feeling hugs ,b/c i think i;m getting slaps . i'm healthy . i have a brain that works. H' gave me a good family , really good kids and a good we;ll start like

that . every thing else is extras

i want to try and get back to basics . trying to be too fancy .

i can talk to my children and they talk to me . we communicate to each other . tell our feelings.
there is an openness between us . those moments i have with my children just b/f they go to
sleep when they tell me whats in their hearts and their problems (even tho' i know part of it is a
ploy to stay up),is something worth a million dollars . a hug i am very grateful for .
