

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

That's great! I love it when I can clearly see hashem involving himself in my life. I mean, I know he's always there, but when he lets me see it more easily...

I started my day... Feeling very distressed....

I had heard news of someone that I know and like, who's life was torn apart....

I was very down... But G-d picks us up....

A couple hours later I was back to myself.....

(Seems minuscule.... but so what... the more we recognize the good thrown our way... the happier we are.... and the more likely we are to lead a positive and healthy life...)

Love to all of you...

it is really cool that you were able to do that because during the day it is very hard sometimes especially on a bad day to find something positive even though obviously Hashem does more things for us than we could even imagine! Thank you for sharing i think i will try to post here more often i think it would be really good for me to do! maybe reading your post today was my hug! Thank you Tried-123.

Give a hug, get a hug.

My teenage daughter wasnt in a good mood today cuz she wasnt feeling well, so over a little thing she got upset at breakfast and moved to sit alone at the dining room table to finish her cereal. Instead of letting it fester, I quietly got up from the kitchen and went to join her, and when the rest of the fam began to follow suit, she had a good laugh and we all went back to the kitchen table to finish together. Everyone wound up in good moods again, ready to face their day.

Getting a big hug from her afterwards was like getting a "Good Housekeeping" seal of approval from Hashem.

Oh, NOYA, the Hashgacha INVENTED a sense of humor in the b'riya. Like when I sneeze or clap my hands in my house, and outside there's a large CRASH as a tree falls nearby, etc. It looks like my action caused that to happen, because of the close succession of the events. And it's FUNNY!! Cause obviously one has absolutely NOTHING to do with the other. So why is Hashem DOING that?

... , where Hashem is just giving us a moshul so we remember the same message is about our Parnose. it LOOKS like it's my effort that makes me get that check or land that account, because they come in close succession to each other, it looks like clear cause and effect. But the REALITY is that NONE OF IT has to do with my effort. it really was ALL HASHEM, ALL THE TIME.

Now, the cool thing is that Hashem chooses to teach this lesson in a VERY FUNNY WAY. That's his divine sense of Humor, to get us to laugh at the absurdity of our own Egos, and teach

us at the same time.

GHG!!! ***Go Hashem, GO!!***
