

FEEL THE HUGS!!!

Posted by jerusalemsexaddict - 21 Sep 2009 18:08

Possibly flakiest thread in GYE's history.....

Listen,life is scary.

All of us have a lack of trust.

In the world.

In Hashem.

In ourselves.

That's why this thread is gonna change all that.

Hashem runs the world.

I know what you're all saying....

"O man.Another bitachon shmuz!"

NO!

This is the HASHEM LOVES US corner!!

Here we will come each day and share or at least acknowledge one hug that Hashem gave us that day.

And when we all feel ready,we can move up to two.

And three.

And a million.

Could be big hugs.

Small hugs.

Fat hugs.

Thin hugs.

They're all good.

The point is to just spot it and feel it!!

This is a big step in our recovery chevra!!

Who's in?

I was thinking today,

that when I found GYE a few months ago,

I was in a bad place

and I was falling down a spiral staircase,
banging my head along the way.

I reached out to grab a hold of anything that would keep me
from falling of the edge of the bottom stair.

I could see it coming and it was scary...

I looked for something,

I don't even remember what I was searching,

and I found GYE!!

HUG!!

I know this was a while ago, but I still wanted to share it here.

And what I was thinking, was that, GYE was there before that too.

I could've found it a year ago, if I was looking.

(yes, everything is hashgacha and it was meant to be as it was)

The point I want to bring out is that the hugs are always there.

We just aren't always looking for them or

opening our eyes to them.

I know this is not a chiddush,

and it's been said here before,

but I think it's a good point for me to internalize

and writing and sharing helps me do just that.

HUG!!!!!!

sturggle- along the same lines; I was in Isreal for a bit and felt wonderful. I hadn't been there for 4 years. I felt like I was living in a bubble. Everything was right. I went to the kotel whenever I had a chance. It felt incredible..a dream come true. The last time , when I was sort of saying goodbye, I couldn't stop crying. I didn't want to leave. I asked hashem how he can let me back to this place of tumah? I couldn't imagine sinning, yet I knew I would. I knew this inspiration will evaporate and as soon as im back on my computer, everything will fly out the window. I was hugging the wall with all my strength, trying not to let go...wanting to stay there my whole life...But alas, it was parting time. I sobbed and told hashem that he knows the truth. There is no way I can withstand the temptations. He will have to help me. From somewhere...somehow...

and then-----

I FOUND GUE! HHHHHHHHHHUUUUUUUGGGGGGGGGGGGGGGGGGGGGGGGGGG ;D ;D ;D ;D ;D ;D ;D ;D ;D ;D
