

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

=====

[Lizhensk wrote:](#)

The Menu will include:

Doughnuts, served on a bed of mushrooms

Did you mean, Doughnuts, served on a **table** of mushrooms?

Well with you and Duvid Chaim talking I am considering bringing a sleeping bag along for the night (that is if there will be time left to sleep).

It's ok for people who eat Bissli with chocolate milk.

Three other really great readings u may like are the White book, page 69 ("Reprieve") till the end of the chapter, and the Seventh Step of the steps (first half) of the 12&12, and the Member stories of the AA Big Book, is it the last one? maybe...and the story about "Acceptance is the Key/Answer" (or something like that).

Enjoy.

It's ok for people who eat Bissli with chocolate milk.

It is OK as long as it is not the grill or barbecue flavored ones as they may be a chashash boser becholov.

Also, if anyone's looking for additional reading material, I know someone who wrote several megillos...

[Under his REAL name]

YES, Totally the most awesome MESIBAH!!!!!!

We had 90 brazillion Tzadikim there, or tzaddik90 for short!!!!!!! he gave an awesome mashal

To make it short, millionare lends out all his money to his town, nobody pays back because they think he's millionare anyway. One guy lost his part in investment and says "the least I can do is tell him that I wish I could pay him back but I can't", Millionare tells him "there is a way you can pay me back much more than what you owe me, if you go and get everyone else to pay back"

So too, even if we may not be able to give back to Hashem all that we lost, but if we can help others come back to Him then He is more grateful than if we would "pay" Him back jsut our losses!!

We washed and sang and heard divrei Torah from both tzaddik90 and DC....OH!! DUVID CHAIM WAS THERE!!!

So we did brief intros, and then DC spoke about what Rabbi Taud shared about chanukah. Believing in the small miracles, that Hashem can perform small miracles for each and every one of us.

He also went through the basics of the fourth step, and what it accomplishes.

To quote DC "If all we come out with tonight is that instead of saying "I acted out" I say "I chose to act out" the entire meeting was worth it"!! I personally think it was worth it even if we wouldn't have that change, but hey y'all, if DC says it then it's good!! We choose to get to the point where we need the advil (code word for lust), that is what 4th step is to show us. that's wat I heard, at least.

We spoke about how including someone who doesn't feel incuded could set off an avalanche of goodness and change the persons life, we learned that afros are not common in Me'ah She'arim. We learned that the plural of "hey there y'all" is "hey there all y'all".

We admired the miracle of OINK and how even though we all wear different hats (or none at all) we all feel so comfortable with each other.

and most importantly.....we.....had.....

Warning: Spoiler!
