

Our Israeli N'kiyim Klan-O.I.N.K

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

Do you realize that you can't make any decisions on Pesach (see popcorn clause). Unless of course you are all sefardim or can find a sefardi to sit at your mushroom table. It's a good thing

Point taken, but we have to make a meeting if we were to change that, we'll let you know

!!

In regard to the during the day meetings, since Bein Hazmanim is around the corner, I'm sure most of the OYNKers will be able to acomodate the OOYNKers. we'll discuss that at the next meeting i guess.

afterwards. Maybe we'll make it some Oberlander's Kosher for passover cookies (lady fingers?) just had to make sure we don't fal off the first pg!

Ch'ub gehert vegen di meetings and the question what u should do.

Efsher make it a party/accountibility group.

Azoi, if any of u fall then u have to discuss it, what caused it, and how to stop it.

If no one fell then u have to party. Woodford, pizza, ice cream or woodford, cholent.

Lechoirah 12 steps wouldnt work altz some of u might not be addicts. Oich if ur gonna do it then do it right, d'heinu a regular meeting.

U can start off by going though each guys week and mah nishma.

Nuchdeim iy"h pull out the woodford and mach leibidig.

Hi guys;)

I haven't been on here for a while.

ask Bendy if PIG is not roshei taivos Peel Is Green?

Baruch hashem after joining GYE 4 weeks ago I have managed to stay clean.

Never thought I would manage 4 weeks. But the truth is that after the first two weeks it got easier. Now I'm starting to wonder if it's been too easy, and I'm heading for a "trap" somewhere down the line.

Anyway I was wondering whether it would be beneficial for me to join your meetings. Part of me cringes at the thought of "revealing myself" to new people, but from what I heard from Dov, this opening up is part of recovering. On the other hand could these meeting be harmful to me? Part of me is wondering whether I was ever addicted if stopping for the last month has been this easy. I am a little confused.

Any thoughts would be appreciated. Thanks.

Just sharing with some friends shouldn't do you any harm. But, you will see over time if lust attacks again. What is your past history? If you used to act out twice a day, I doubt that you are now on easy street now.

I'm going to need help recapping what was discussed by the meeting (because of my "attention deficit Hey, Donuts problem", and due to the lack of liquids).

And since it's late I'm just going to outline the basic topics that came up.

First of all we were zoche to have Ben Durdaya join us, THANKS BRO!!

We discussed some of the rigidness (if a word) of the SA meetings, and how we will try to be a little original and understanding that every person is different.

We discussed some of accepting where we are, and that Hashem is being mashpia to us even while we are "on our knees" (to quote Dov).

We discussed how difficult it is to walk on the streets and some practical eitzos how to "give up" those thoughts.

Did I forget anything? oh, yeah, we had

**Warning: Spoiler!**

B'ezras Hashem more updates from the non-"hey, donuts" members

Have a Great Shabbos everyone!!!
