

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more then welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!
