

Our Israeli N'kiyim Klan-O.I.N.K

Posted by Pidaini - 05 Jul 2013 18:00

Why? it's a long story, but the truth is we don't really know what it stands for yet, so if anyone has any ideas what the roshei teivos can be, please let us know. It can be just one also, meaning either OINK or OYNK.

Yup, that is the name of our group here in Yerushalayim!!!

We, BH, got together for the second time last night. TZ, Avrom, Nitzotzeloki, Hashem's Soldier (from the olden days, soon to be on the new forum), and I, (lizhensk missed it, but he's part of it too).

It was surreal, just imagine a beautiful hill, full of grass, surrounded by trees, and in the middle.....a MUSHROOM TABLE!! (for anyone who doesn't know what that means you can ask TZ)

We had a nice conversation, about a few things, but the most important one was what the tachlis of the group was going to be, which path would we take.

We decided we'd let our larger group give us ideas and we'll discuss it next time we meet (which is, btw, hopefully every thursday night) and decide upon something.

To summerize we are asking for two suggestions,

1) What the H-E-double-hockey-stick does O.I.N.K or O.Y.N.K stand for?

2) What should the point of the meetings be?

Anyone else interested in joining is more than welcome to contact any of the above mentioned (even though there are only 6 seats at the mushroom table, we'll figure it out)

Have a GREAT shabbos!!

First of all, we don't start with my name is Chuna Feitel. We start with my name is Pinchas. Also "some people" spent plenty of time complaining about their shviggers to bachurim, and then told them- "What do you know? You're a bachur!?"

Not at all insulted. Just saying, you know?

I object to that b'shem all the bachurim here.

Mahduch we all get the urge of lust which is definitely way worse than a shvigger's annoying-ness. Avadeh in avadeh we get the much smaller degree of annoying-ness (imagined or real) of a shvigger.

I rest my case.

OBJECTION SUSTAINED.

~~well, u really DONT know... get married and youll understand~~

All of us are named Pinchas in one form or another.

We have a Pinchas, a Yitzchok [which is gematria Pinchas], a BenTzion [also gematria Pinchas], and an Eliyahu [which is, well, Eliyahu IS Pinchas].

does lizhensk also=pinchas?

obbur Imaaseh, all us married people get the urge of lust (which many people on here agree is WAY worse when ur married) PLUS, we getnthe annoyance of shviggers, so thats DOUBLE TROUBLE vs your plain urge of lust, so you still dont understand...

stenographer? get rid of that objection

a little more detail.

im a sofer....i write meggilahs.....

after getting kicked off of the first bus the super mean bus driver we got onto the 2nd much more comfortable (wifi lacking) 2nd bus. Tz was mechadesh that bisli is, in fact, fleishig or meaty or bechezkas besari. i was eating shko and bisli, that is how it started tz says hey! those dont go well together and those of us that took math in high school know that two things not going together= one thing being milchig and one thing being fleishig...simple math (this in fact is why tz didnt buy me ice cream because i was fleishig.

once we arrived we realized we were in zefas and you can do anything you want there. so we all got different hands tz was wearing a chabad hat....this was infact the part that made the whole trip worth it it haoons to be the tz saw peopel that he knew there

later on we arrived to tanz where they have a gorgeous coffe machine. Nitzotz was more experienced in the method of fighting and showed the machine a peice of his mine however tz was not as experienced. so equipped with his chabad hat and his stern face he took on the machine in combat.....and.....he burnt his hand very badly. but he wasnt ready to give up so he went in for round 2 and showed it who was boss as we were all laughing like little children there were tons of people looking at us btw they aslo have cold water and seltzer

then we walked outside and met nitzoz friend who in some form of gematriah..midrashim...or other really cool way had the same name as tz which left us of in an identity crisis. then he asked how we knew each other and we all looked around awkwardly until tz said the truth.....he said that we were sister-in-laws....awesome! the guy fell for it and we were set smooth sailing.

we then went to ari mikvah...nothing tooo eventfull. then after walking up 7 brazzilian sets of

stairs (or steps)we decided to stop for lunch....now after decideding very closely on what to get wwe decided on the double cheese pizza....did i mention it was double cheese. we also got fries but also we got double cheese pizza. we asked the guy for some double cheese rc cola but he gave us double cheese pizza instead. this was also a main attraction of the trip THE DOUBLE CHEESE PIZZA meanwhile pidaini called in to see how we were doing and we told him we were buying pizza and the owner said NOO its DOUBLE CHEESE. the rest of this part was uneventfull.

we then went to the cave that has the coolest and best echo in the world and made a quick kumzits we then went out to try and find a restroom and geuss what...its was locked....who in there right mind would lock a public bathroom???? the nerve...

we then went to the bus but wait as HS and TZ were on the bus waiting for nitzotz to come back from the bathroom the bus left 5 min early and the chase was on nitzotz chased us down just for the driver to shake his head no. but he found another bus.

despite the fact that we left earlier but on the stop in meiron where we picked upo more people there was a person who brought a suitcase onto the bus and the driver, after having fire come out of his ears asked his he was hidding hashish in the bag and the whole bus started harrasing his about his hashish.

just the average day for our average oinker

i think that is most of the details
