

2nd GYE convention in Israel

Posted by ????? - 10 Dec 2013 12:46

Hi Guys,

I hope I post this one in the right place.

And sorry for my bas English.

Anyway, My name is Shmuel and I'm a sexoholic.

I took place in the 2nd GYE convention in Israel that took place last night.

And I was happy to see you guys.

You gave me (especially Dovid Chaim) alot of strength and hope.

I didnt know that You have an English GYE group here in Israel.

It is very good to know that We're (the hebrew GYE guys) not alone.

I hope that we can get together both Hebrew and English GYE groups in

Israel.

Thanks

Shmuel

???? ??????

I have been on gye since 2009 and was not even aware there was a hebrew group and such a

large group!

I think there should be more interaction between the two groups.

How many groups are there? (ie Yerusalim, TA ...)

Hi,

Well, It all started with the hebrew forume about 2 years ago.

The hebrew forume begun to raise in the begining of 2012 and a few mounths later the 1st serious phone group got started.

Since then We have ohone groups twice a day which the 1st one (13:30) takes more than an hour and there are about 10-20 active users in each converstion.

About a year ago We started the live meetings.

Right now We have meeting in Ramat-Gan every Monday(once a week) and meeting in Jerusalem every 2nd Tuesday (twice a mounth).

We hope the Jerusalem meeting will take place every week.

(maybe you gus can help us with that)

I'm impatiently waiting for the iteration between us.

shalom everybody! it was great seeing you all yesterday. we have groups in yerushalayim (Giv'at Shaul) and ramat gan (near bnei brak). the group in ramat gan is every monday at 20:00, and in yerushalayim every other tuesday at 20:00. but with your help i'm sure we can make this group be every Tuesday. Nitsotz Eloki has my number so we can arrange this together.

in the meantime i really recommend on joining the telephone groups. there's a twelve-steps group Sunday-Wednesday at 13:30, and another sharing group every day at 23:00 (on Friday it's 15:00). to get access to these groups you need to write to kod.k.gye@gmail.com.

we also have 2 open telephone groups: one on Sunday, 22:00 (for beginners who can ask questions etc.) and one on Thursday, 13:30, with a talk by an older member in recovery - very recommended. to call these groups you need to dial 054-8594949, code 5833.

for those of you who can read Hebrew, i recommend on visiting our forum - your younger brother... forum.gye.org.il/index.php

this section gathers the most recommended posts: forum.gye.org.il/index.php?board=15.0

good luck!

I'm jealous of those who were able to attend in Israel. I'd love to have something similar here in the US.

Can anyone who was there tell us what it was like? I'd love to hear all about it.

Thanks!

I am in Israel, and i was not zoiche to participate. I must have missed the email with the announcement.

i am upset that i missed it, but i have to accept that the terms of my sobriety are also in His hands.
