PART 19

Heshy..Heshy..Heshy

The man of so much promise..the delight of his parents..the public speaker..the helpful friend..talented..opinionated..success story..

Oy what the future could have held

Life was so calm...

Until...he lost some money... And made it back rather quickly...oy where those meant to be happy days..

But..everything changed for me..I was no longer "only"his wife he would explain.. I was the image of his success..we needed to project the "correct" image..

Out with the old in with the new..he would ask "don't you love all your new stuff"? I would giggle and say "what was wrong with the way I was when we got engaged married learned in kollel"??

He would say Chani I'm not a little boy any more..ride along with me and you will enjoy life..

But..our kids?? The mixed messages??they he would retort. Will be better off with happy parents ..

Everything he did was always right.Every Rov and authority was always wrong..

Then came the late nights the leaving his family high and dry..oh the apology gifts..the

clothes..the perfumes..the fling trips..The phoney hellos and cynical goodbyes..

What was gained ?? a wife who shares a name with a Mattel product.a son he didn't raise or know.

Oh what was I to do?

Leave?he would fight for his kids..not that he wanted them..but Heshy Freidstien ...

So I played the part and I raised my son my life my tzaddik to be as normal as possible..endured the shame of being the. "Shiksa" of my family..the hurt the humiliation...

What do I get in return..Heshy is addicted to p\*#n great me chani now has new compotion..uh uh games over ...

MOMMY MOMMY!!!

Whaa whaa???

Where am I???

Esti(my 6 year old)

Why you out of bed??

MOMMY WHY ARE YOU ON THE FLOOR?? ARE YOU FEELING SICK??

Esti mameleh go shluffy mommys never get sick!

Chani friedstien if you collapse now you will lose it all

Hey I am talking to myself..ok.. Let's find yanki..let's help heshy..let's live happily ever after..sweet dreams.

First things first

Tell Heshy Yanki is gone..
