

Super-Incentive: "Match, Double, Ninety!"

Dear Chevra,

The "\$90 for 90 days" challenge has had mixed success. My understanding is that no one made it to 90 days, but that some people were able to go further than they had in the past.

Here's another idea that I ran by Guard, and he said that we're welcome to try it.

I propose that we offer a "super-incentive" to someone to give them an unusually powerful boost to get them to 90 days. Unfortunately, the Bill Gates foundation has declined to provide a \$10 so we had to come up with something else. For reasons that will become clear, the challenge would be called "Match, Double, Ninety!"

**Here's how it would work:**

**1.) Guard would select someone who has had a hard time getting to 90, but is willing to set up numerous safeguards, give it a real solid effort this time around, and operate with complete integrity. The person should have between 7-30 days clean.**

**2.) If the person matches his/her previous record (but not less than 15 days, and not less than 7 days from the time the challenge begins), GYE gets \$50-\$100 (\$10 per sponsor).**

**3.) If the person doubles his/her previous record (but not less than 30 days, and not less than 14 days from the time the challenge begins), GYE gets \$125-\$250 (including the money already received; that would be \$25 per sponsor).**

million mega-incentive,

**4.) If the person reaches 90 days, GYE gets \$500-\$1000 (including the money already received; that would be \$100 per sponsor).**

**5-10 people would each agree to donate up to \$100 to fund this challenge. The entire forum can root the person on as he/she works on each of the three milestones, which would be a tremendous Chizuk for all of us. Also, others will, hopefully, join in the challenge out of solidarity.**

**Please post below (or send me a PM) if you're interested in being a sponsor (maximum cost: \$100).**

**If you're interested in being chosen for this super-incentive, please send a PM to Guard.**

Thank you. I know that the important thing is that if I fall, C"V, I do not fall into a depression, but rather pick myself up and continue.

I also know that this would be a VERY hard nisayon, and I pray that I don't have to have this kind of test!

I agree, Momo - that's kinda what I meant. I want you to succeed in the 90 days, but also know that we love you no matter what, and we know that you're growing, no matter what.

i'll do the 1st option. The calculations make my head spin, so just give me the bill when its over

It's fine to pay only once when the challenge is complete.

I wanted to add that last night and this morning I had a fleeting thought of slipping, and then I thought of the 600 dollars riding on me and I stopped myself. How could I do that to GYE? How could I make GYE lose 600 dollars just for a couple of minutes of "pleasure"?

Thanks guys. My not slipping was in your (you, the sponsors) zchus!

LOL.

And I'm sure he'll play "Guard's the man" when you call in.

You're calling in, right?
