

MAKE KARMA GREAT AGAIN'!

Posted by stillgoing - 28 Dec 2016 16:29

MARK JUST POSTED THAT THE KARMA SYSTEM IS BEING GOTTEN RID OF! QUICK, CALL YOU CONGRESSMAN, CORDSMAN, TRUMPSMAN, EVEN MARKSMAN. WE NEED TO DO SOMTHING.

let's be honest. How many people in the back, front or middle of their minds know that some small part of the reason that they post is to up their karma count. We won't admit it, but let's count the thank yous to this post to see. come on, don't be shy now... you know that you want to say thank you..

Markz, can you set up a poll of how many people are for the continued usage of karmas and how many against?

Is karma actually gone? I raised someone's karma even after this thread came out...

Il generally only view on mobile, but it seems that it's kaputzky.

I think the banana sundae/peanut butter vanilla mocha poll thread is also gone.

Karma is actually here fully. You can add and view.

To have it show on the forum page we need to garner enough signatures

We can each privately ask the admin

gye.help@gmail.com

I think it's more likely to be considered if we do this as a group, so let's appoint SG - guys please Private Message him [here](#), and he will entreat the guard to reinstall Karma on Inauguration Day

The main issue is that minus karma alone can be removed,

but we need PLUS reinstated

A short while ago one of our fellow members appeared to be very dismissive of the advice of others on the forum. The only thing that got his attention was that his karma went down, which I think may of helped him in the long run. So I think minus karma has its uses too.

It might have gotten his attention, but he didn't get the message.

Stubborn people are stubborn. I don't know how effective negative karma is. I do think that positive karma is a good thing.

Because of shlomo's ethics which I wanted to point out too, watch out for the next MAKE GREAT thread...

So this is my LAST POST as I mentioned [here](#)

Im going on strike till Plus Karma is returned

I just want to point out that it's a very simple fix for the webmaster to make

Because there's a gye.com page that still shows all members karma, and karma is still easy to plus on the forum - I know how and maybe gibbor120 does too.

Until karma with + is restored... goodbye for now

I just don't see the point of good karma if there's no option to take away karma. Kinda like if there was s'char with no onesh. Of course, minus karma is a rare thing indeed, but the option of it makes the positive karma valuable.

Also, and I know I'm being a pain but, we had 2 systems for recognition here - karma and 'thank you'. Could we combine them into one thing by replacing karma with 'total thanks'. I know the number of 'thank you's is already monitored, see forum stats.

I'll check back in 5.5 hours to see Markz's response

That sucks. It's your decision but there's kind of a greater good here. I'm waiting until you come back.

Yes it sucks that I'm the only one who knows how to Karma now

I added 1 to Watson yesterday and 1 to cordnoy now

Did Guard took away all our karma because we didn't call in to Dov's call last week?

Crisis averted cos I heard mr Karma is coming back sooner than you think...
