

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Second, just read the P.U.S.H. mashal and it's gevaldig!

Third, I wanted to let the sistas know that I haven't stopped thinking of you, and I pray you're doing well and are happy. Oh how I wish I know how you were doing. Couldn't I get at least a

Remember...

I HAVE RED LINES I WILL NOT CROSS, NO MATTER WHAT!

Hey, is anyone signing-up to do the PR campaign on the onther side of the mechitza???

So many seminaries have websites, all it takes is one email that can get them to look at the askamos. mybe a link to the stories will give thme alittle jolt.

But once again, I have no links to stories of women suffering from addiction, so I am empty handed here. I need someone else to be "sarah mikareves es hanashim,,,, and not a bachur!"

cmon 7up? I need some help!

he he I can fog-up the mechitza and play tick tack toe
