

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Actually, interestingly enough, it seems that on shavuos, there's more of a reason to be involved in gashmiyus, because once you have torah, gashmiyus will be raised onto the level of ruchniyos. That's why shavuos is the only time during the year when chametz is brought as a korban - because with torah, gashmiyus will be used for the right purposes.

The best Shevuos vort I heard so far.... ;D ;D ;D ;D

Yes, good vort ! I read somewhere the same theme from the Ishbitzer (Mei HaShiloach). He explains a deep meaning of the pasuk in Ruth 2:9 (which we read on Shavuos) that after we accomplish serving Hashem through "restriction" then we can move on to the stage of serving him through "expansion" including doing those things which we wouldn't dare do during the "restriction" stage. (Note to self: don't try this at home, this idea is for professionals only :-X).

Glad I could help, Mom - if you have a chance, I'd appreciate if you could pop into my thread - I asked a question there, and would welcome your input.

Have a great yom tov!

Ice cream! Now you're talking!

With what flavors should I stock the freezer?

I'll get the ice cream, you bring the toppings.

What kind will you pick?

Hm!!

This is where life gets really complicated... :D :D

On the one hand chocolate is good but I like vanilla better... :-\

But then maybe I should take Cookie-Dough flavor which is kind of a mix of both....

I think I have to try a new flavor this time.... :-\

But wait, maybe I am... ???

Oy-Vey....

Once had Carmel and it was good but I don't think I'm in the mood of that now... :
Decisions..... Decisions..... Decisions....

And then I will one day have to decide on just one Shiduch....

(Unless someone can find some type of Heter for Cherim D'rabenu Gershum)

Mom, can I have all flavors :o ??? :-\ ?!?!?!?!?

Toppings:

Cookie Crunch

Coconut shreds (is that what it's called?)

Black and white Sprinkles

Colored Sprinkles

Granola clusters

Hot chocolate

Did I forget any?????

Thanks Mom....

Really looking forward to Shabbos...

The Chinuch says that one of the reasons for Simcha on Yom Tov is that a person needs times of happiness to survive healthily... So Hashem made it a Mitzva so that the things we need to do should get rewarded....

I look at the Torah as a guide to living a fulfilling life.

Hashem needs nothing from us... He wants us to be fulfilled so he taught us how....

Oneg Shabbos is no different...

We need it... and we get rewarded for it....

Have a great Shabbos....

Yummmmm,

youve picked all the good ones.

Isnt Yiddishkeit the greatest?

Where else can one get *rewarded* for eating, relaxing and having a great time?

Thanks you Hashem "shelo asani goy!" :D
