

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

I certainly hope they'll have some there! If I'd planned ahead, I'd have bought some woodford in duty free when I came here!

P.s. Someone had an engagment during the 9 days.

He asked R' Chaim Kanievsky whether he can make a l'chaim on whisky...

R' Chaim answered: Why must whisky be used? A L'chaim can be made even on water!!!!!!!!!!

So 7up may actually be "kosher" after all for our "L'chaim"
Just thought I'd stop in for a second. Looks like I could have just posted the Kumzitz notice here!

Sorry 7up, didn't realize to send you a message about it. I've been all confused ever since the GYE mechtzah went up.
