

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Good insight Tried.

Reminds me that many people are not what they try to portray ad there is much happening beneath the surface.

Actually wasn't able to make it. That's one of the reasons I suggested having one here.

I love watching the rain from the cozy warm and dry couch. Hot chocolate in hand, good book to read and lots of time to relax.

Hey Hey

First of all 7up is a choshover Rebbetzin

Second, she's our GYE mom

Third, this is her thread!!

Fourth, for all those fellows who don't like it, there are about a few thousand other threads to go to

Fifth, "Tov Meod zeh Yetzer Harah" says Rav Desler that being overly overly zealous is often times the Yetzer Harah in disguise....

I am being frank but mean no ill...
