

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

heres a quote from the forums rules

*The only exception to rule #1 is "7Up", an older woman who is known as the GYE Rebbetzin, who moderates the women's forum. Men may PM her and contact her by e-mail, to get a women's perspective on things - such as if they have issues with their wives or other such questions relating to the addiction.

so i guess she is the lucky one

Remember you old timers, that laagvokeles and others are new here and dont know the forum before the mechitzah went up. I agree its a normal mistake.
