

7Up, ice cream and sushi

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

Fellows

7up is the women's moderator. She isn't here to post on the men's side. She only does so when she deems it necessary, or some extra kugel needs to be passed through the mechitza to the men's side.

My goodness, if only the kids (and einiklach) would listen as well as the guys here do.

For those in the know; thanks for wanting me back. I *really* am not ignoring PMs on purpose.

For those not in the know, 7up has been 7down recently, with a week long hospital stint as a way of avoiding subway seatmates and kvetchy kids. Actually, double ear infections did it; a lesson to avoid forum onos dvarim and lashon hara maybe? Hmmmm.....

Tatty; please save everyone from themselves.
