Psychologist woman Posted by kadosh - 08 Feb 2010 22:01 Hi Rav GYE, Hi people, My question is more halachic. I have the possibility to start a psychological treatment (not necessarily related with lust addiction) very cheap, but the condition is that the psychologist will be a woman. Am I, as a single bachur, allowed to start this treatment.

GYE - Guard Your Eyes

Hope to hear from you.
