

Lag Baomer Baseball Game

Ok all you heroes out there!! It is that time of year again!! Time for the annual (drum roll please.....)

Lag Baomer Baseball Game!!

I will be holding tryouts over the next few weeks in preparation for the big game. We will be taking on a new opponent this year - The Satan Island Devils!!!

and reason why you think I should pick you for the team. Remember, these Devils of Satan are always well prepared, and we will need to assemble the best we got to take them on. I will start by signing up myself first.

Name - Reb Yid

Occupation - Rebbe

Position - any and all of them (except catcher. I once broke my leg sliding into 3rd that way....)

Reason to join - I've been fighting Satan and his Devilish fiends for years!! And I've got the black eye to prove it!!

Wow!!  
If you'd like to tryout out, please sign up by listing your name, (pseudonyms are fine

Now we are talking!!

OK. As the recruiting coach I will analyze each application so far since my last post.

got my new glove for the game. Now i need to sit on it till lag b'omer.

Just curious: Was that Ad Ve'ad Bichlal? It seems to be on this team you have to be sitting on the glove **during** the game. Please let me know.

[ZemirosShabbos wrote on 04 May 2011 18:18:](#)

is anyone else ready to have a **real** baseball game on Lag Ba'omer?

anyone not wanting to break anonymity can wear a paper bag over their head with eyeholes...

Ok. 2 things.

#1 - I'm in!! You call for a real game somewhere in the tri-state area, and I'll show up ready to play. No mask. (That should scare off the other guys!!)

#2 - If that game shapes up to be anything like this "virtual" one, they could leave the bag on *without* the holes!!!

[ben durdayah wrote on 05 May 2011 20:11:](#)

No chance that I can play designated driver. I was just joking. In reality, I could down more Woodford in a sitting than Reb Bard's (*Heh heh, if he's still lurking around here, I bet that'll get him out of hiding...*).

Ok. So you could be the designated drunk who runs on the field and ends up spending the night in jail!! (We'll come bail you out. Eventually!!)

Or you could just be the designated Mascot.

And Finally:

[ZemirosShabbos wrote on 05 May 2011 20:15:](#)

maybe we can add some non-athletic entertainment for the more sedentary elements

antique truck show in the parking lot

possum trapping tournament

roadkill-cholent cook-off

sushi wrapping contest

maybe Billy the kickboxing instructor can be the umpire

perhaps we can get the Rebbe to give the pre-game invocation, blessing of the pinstripes and

the presentation of Bardichev's Bat

If you do any of that possum roadkill stuff, you are gonna need a new designated Rebbe!!!

You Are Nuts!!!

You'd be perfect for this team!!

T.O., T.O.!

communication error!

there are rebbes and there are rebbes. there is the melameid dardeki and there is the admor.  
and ne'er shall the twain meet. (ok, maybe they do...).

on GYE the admor is the heiliger bardichever, may live and be well, er zull inz firen ankegen  
moshiach bb'a, who is currently tending to the new stock of Woodford in the wilds of Kentucky  
and not active on the forum.

he is the ba'al mechaber of Bardichev's ~~Bottle Battle~~ Bat, and was requested to give the  
invocation and blessing.

our favorite rebbi, as in teacher and guide for our dear children, is Reb Yid, may he live and be  
well and never need to use his ruler for anything other than measuring the Laffy Taffies that he  
gives out to his students.

Reb Yid is asked to give the invocation in nusach Ashkenaz, sing 'nu bo dan Temple shiro' from

the Hagadah and distribute Slivovitz Laffy Taffy to the crowd.

[Reb Yid wrote on 05 May 2011 21:50:](#)

You Are Nuts!!!

since you are a rebbe you might be glad to know that there is a simple method of teaching brachos over nuts: all nuts are Ha'etz besides peanuts and donuts.

Zemiros was recently nominated as president and might throw out the first pitch...

Why would you want to throw it out?

We want to save it!

It's a good thing this roster is not like my classroom, or we would have no game.

I teach in a strictly "nut free" environment!!!

Ok.

I took batting practice today.

I also took fielding practice.

I also took pitching practice.

(It seems like other than cheerleading, I will be doing everything else!!)

I recruited my kids as "Practice Squad Members".

I struck out my 3 year old on 4 pitches!! (one pitch was outside)

I hit a bullet line drive right past my 6 year old.

And I caught every bunt that my 8 year old daughter hit my way.

CONCLUSION: If we play against underage children, we've got it made!!!

I can't wait!!!
