Guard did it. He gave us all logos. He decided that I am a baal Koreh. I better correct that soon.

Not a "ba'al Koreh, but a Ba'al TORAH"!

Again: What do I have to do with hitting my little brother in the head with a kielbasa?

And: How did the Guard know about that little incident, anyway?

And finally: Do I need extra therapy?

;D

As I'm sure

you know, you're just kidding, right?

To be honest (boy, I hate doing that!), yes, yes, I *was* kidding about the kielbasa, but it made me laugh, so whatever. It is true, however, that I had absolutely no idea *what* the picture *was* depicting. (!?)

Now that you explained it though, let's keep it for a while...until I get the first "kielbasa reference". Then, can you switch me to the heilige berdichevers footsteps pic?

I hope you *really* get big bucks for all this service, R' Guard!

Dov, it's an icon of you helping your little brother get back up after he fell down...

Why am I playing baseball? Oh, is that a reference to one of my posts of staying in the game?

What's in the background?

I like the photo of the Jew, even though it doesn't look like me. But I like the way he's dressed.

Poor Guard! He worked so hard till all hours of the night to pick the perfect logo for each of us.

Guard, I guess Im the only brilliant (and modest) one here, as I 'chapped' each idea as you meant it. ;D

Personally, I think Uri's volcano was perfect, and Momo's is also great. My personal favorite is R' Dov who is always rushing to pick everyone up in his own funny and gentle way. Kielbasa my foot!

And were giving him such a hard time

If I ever get tired of my 7 up baby, Im taking those footsteps Bardichev. (Can I have 2 pictures Guard? )

They perfectly portray my lazy attitude of life - Hashem carries me always and I get a free ride in His arms!

I like my photo, and I love the others. I wasn't complaining, I was just trying to figure it out.

OK, I got it, I'm a Jewish baseball player, always in the game.
