I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

of course, this thumbnail version doesn't do it justice...

it's more like one of those posters that's got to be blown up and hanging on the wall...

can anyone tell that i'm not so excited about studying right now?
