I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

Rage, the idea of you getting your own thread is scaring me.

On Habibs you feel a slight need to behave; after all, youre a guest!

Re: photo album

Rage how are you so familiar with the rednecks??????????????? Im starting to get this funny

feeling. Now i understand where all the rage is coming from!!

thanks for making me laugh (and cry) from those pics!

oh, and imtrying- nice pic, nice siggy

Thanks Habib. You know i was thinking its a little "girlish" but it speaks my heart. Its something ive learned to internalize. Life gets bumpy alot so..... just dance in the rain!!! If you cant beat 'em , join 'em!! The same goes for life.

let me put this in a way thats easily understood on an sa forum...speak the language of the natives...you know how transexuals feel like theyve been born in the body of the wrong gender? i kinda feel like a southerner born in the body of a new yorker....

feeling. Now i understan where all the rage is coming from!!

Ok rage. Im counting. Not only are you an extremist, and clinacally ill , your also a sicko!!! ;D ;D
