Shkoyach.

BTW, R' Guard (he's off to N. Dakota looking for the chevra) once told me that the brachos work better if you do it in bold, and with a larger font.

I've got this sinking feeling that they are all at the GYE convention, and someone forgot to invite us two.

I'd crash anyway, but the convention is completely anonymous, location and all.

So, Reb B, we've got the whole place to ourselves!

We can leave graffiti ALL OVER THE PLACE!

yabadabado!!!!

(already on to the second cup of coffee, sorry.)

Checking back in.

I'm sure everyone is either reveiwing the handbooks or the 564 chizuk emails.

Otherwise how can we survive? We need to eat daily from the GYE menu, how else can we have the koach to fight the menevul!

Hi Cleareyes613, my name is kutan. Pleased to meet you.

(my wife taught me how to do that. I still can't do it in person, though.).

GREAT to have you on the forum... I checked out your other posts and you write quality stuff! I pickpocketed your pilpul about hezek riya from the Rashba, gonna use it one day.

humble and happy

(that one is a present from Bardichev)
