it seems like we have the place to ourselves at the moment, i think we need a marketing campaign like the banner ads on VIN for Landau's

maybe you can offer free seats on the high holy days, free email subscription to Parsha Tidbits from the Bardichever Rebbe and kiddush every week with woodford and cholint

on a legal holiday (Columbus Day) there should be a bigger crowd in the bais medrash

Is there a drive thru for trucks??

drive through for the trucks is good for the herring and shnapps but could be an issue for the minyan....

better if the truckers can park and come inside, plenty of parking and no need to back up
