Its sunday

I have the choice

I have the power to decide

Will I drive the truck

Or the truck drive me

If I drive the truck

I will try my hardest to avoid pot holes wrong turns bad neighborhoods etc

If the truck drives me

I'm dead. DWI

So its my choice

Hmmmm what shud I choose?

The truck driving me makes me "feel" so good

What shud I decide

The truck driving me will help me escape my personal problems (just for a few seconds)

JIP. Help me decide

B
