life is like a flower, 95% of the time & energy & attantion is given to it when there is no sign of anything, its a seed, then a grass, then a bud, then a closed flower, only at the very end you get a stunning flower, and all your hard work is repaid at once, so of course woodford, mikveh water, anything that will keep that spirit up is worthwhile

did i miss it?

givehnaminyin?

we should start shacharis NOW so we have a minyan before mincha time tomorrow.

see, we still could use a sloatsburg

sloatsburg, bardstown, usa

minyan factory

close the lights before you leave please
