Plenty of road kill around woodbourne too...

In other news, I found a ksav yad of an ancient kabbalistic work where it says: woodbourne, doo here roozi d'killa roozin, ihi bourbon, ihi woodford, Vedoo soida d'killa iskassyun bahadei issgalyuhn...

A man walks into a bar and orders a shot of whiskey then looks into his pocket. He does this over and over again. Finally, the bartender asks why he orders a shot of whiskey and afterwards look into his pocket. The man responded, "I have a picture of my wife in there and when she starts to look good then i'll go home."
