O.K I need to JUST HAVE SOME FUN, like it says on the packet.

In England they have Red Buses (London) red letter boxes, red telephone boxes (used to anyway) and red soldiers. The soldiers here used to be called Redcoats, and Black cabs.

Anything else you can think of?

The Royal Prince George has 7 G-dfathers, what is that, is it kind of a Sandek?

Do they wait till 3 months to do the 'crisening' for any special reason?

Did he have a Bris? OOOH there's a question.
