Yes, it's an accepted minhag here to quote oneself. (TZ you can quote yourself on that)

Giraffes can lick their ears.

and on the subject of food, hear is a quote from Tom Sawyer (i'm reading it now)

But

say — how do you cure ‘em with dead cats?’

‘Why, you take your cat and go and get in the graveyard

‘long about midnight when somebody that was wicked has

been buried; and when it’s midnight a devil will come, or

maybe two or three, but you can’t see ‘em, you can only hear

something like the wind, or maybe hear ‘em talk; and when

they’re taking that feller away, you heave your cat after ‘em

and say, ‘Devil follow corpse, cat follow devil, warts follow

cat, I’m done with ye!’ That’ll fetch ANY wart.’

‘Sounds right. D’you ever try it, Huck?’

‘No, but old Mother Hopkins told me.’

‘Well, I reckon it’s so, then. Becuz they say she’s a witch.’
