Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

sanhedrin perek aleph mishna vov rov divrei hamaschil meah v'esrim

the rov defines two words in a way i didn't really hear before

Batalnim: people who don't work and sit in beis medrash all day

notice he didn't say batlanim are people who dont work and hang out in the streets.....

Chazanim: people who punish guilty people

I may have taken his words a bit out of context so please don't bashmutz the rov with this.

now for a little siyum plug. (rabbi voice)

raboissai go take a masechta for the gye siyum, not only do you get oilam haboh you also get oilam hazeh because of all the jokes that are in there. (switch to salesman voice)

it's easy

it's free

it only takes a minute

How many Jewish mothers does it take to screw in a light bulb?

Dont Worry, I'll just sit here in the dark!

Hey many people with ADD does it take to screw in a light bulb?

Hey is that a butterfly? Wanna go ride bikes?

How many Jews does it take to change a light bulb?

4. One to put it in, and three to argue about how it really should have been put in.

Why do we eat jelly donuts on chanukah.

They have enough oil to recreate the miracle.
