Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

My short-term memory is not as sharp as it used to be.

Also, my short-term memory's not as sharp as it used to be.

The statement below is true.

The statement above is false.

Reality is only an illusion

that occurs due to a lack of Woodford.

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last week. Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in. And then the trouble started.

I may be schizophrenic,

but at least I have each other.

1. Do not walk behind me, for I may not lead. Do not walk ahead of me, for I may not follow. Do not walk beside me either. Just pretty much leave me alone.

2 The journey of a thousand miles begins with a broken fan belt or a leaky tire.

3. It's always darkest before dawn, so if you're going to steal your neighbor's newspaper, that's the time to do it.

4. Don't be irreplaceable. If you can't be replaced, you can't be promoted.

5. Always remember that you're unique. Just like everyone else.
6. Never test the depth of the water with both feet.
7. If you think nobody cares if you're alive, try missing a couple of car payments.
8. Before you criticize someone, you should walk a mile in their shoes. That way, when you criticize them, you're a mile away and you have their shoes.
9. If at first you don't succeed...Skydiving is not for you.
10. Give a man a fish and he will eat for a day. Teach him how to fish, and he will sit in a boat and drink beer all day.

Two little kids are in a hospital, lying on beds next to each other, outside the operating room.

The first kid leans over and asks, "What are you in here for?"

The second kid says, "I'm in here to get my tonsils out and I'm a little nervous." The first kid says, "You've got nothing to worry about. I had that done when I was four. They put you to sleep, and when you wake up they give you lots of Jell-O and ice-cream. It's a breeze."

The second kid then asks, "What are you here for?"

The first kid says, "A circumcision."

And the second kid says, "Whoa. Good luck, buddy, I had that done when I was born... Couldn't

walk for a year.”

With all the new technology regarding fertility recently, a 65-year-old friend of mine was able to give birth. When she was discharged from the hospital and went home, I went to visit.

'May I see the new baby?' I asked.

'Not yet,' She said 'I'll make coffee and we can chat for a while first.'

Thirty minutes passed, and I asked, 'May I see the new baby now?'

'No, not yet,' she said.

After another short while had elapsed, I asked again, 'May I see the baby now?'

'No, not yet,' replied my friend.

Growing very impatient, I asked, 'Well, when can I see the baby?'

'WHEN HE CRIES!' she told me.

'WHEN HE CRIES?' I demanded. 'Why do I have to wait until he CRIES?'

'BECAUSE I FORGOT WHERE I PUT HIM, OKAY?!!'

This one's for the old-time geeks...

How many Intel engineers does it take to change a light bulb?

0.9999999995445435 ...but who ever needs that kind of precision anyway?

How many software engineers does it take to screw in a light bulb?

None. It's a software problem.
