Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Sorry to embarrass you in public EL, but a correction is urgently needed in order to retain a level of truth and honesty here on GYE:

- a) C2T has been *allowed* to shtuch 7up out of the goodness of her ever giving heart.
- b) there is a limit to how many times I can knock the poor nebach down without giving him a chance to at least lean against the ropes.
- c) If he realizes that I win every time, he may stop playing. And that would be sooooo boring!

:D ;D

26 Things To Do While Your In The Elevator

1) When there's only one other person in the elevator, tap them on the shoulder and then pretend it wasn't you.

2) Push the buttons and pretend they give you a shock. Smile, and go back for more.

3) Ask if you can push the buttons for other people, but push the wrong ones.

4) Call the Psychic Hotline from your cell phone and ask if they know what floor you're on.

5) Hold the doors open and say you're waiting for your friend. After awhile, let the doors close

and say, "Hi Greg. How's your day been?"

6) Drop a pen and wait until someone reaches to help pick it up, then scream, "That's mine!"

7) Bring a camera and take pictures of everyone in the elevator.

8) Move your desk into the elevator and whenever someone gets on, ask if they have an appointment.

9) Lay down a Twister mat and ask people if they'd like to play.

10) Leave a box in the corner, and when someone gets on ask them if they hear something ticking.

11) Pretend you are a flight attendant and review emergency procedures and exit with the passengers.

12) Ask, "Did you feel that?"

13) Stand really close to someone, sniffing them occasionally.

14) When the doors close, announce to the others, "It's okay. Don't panic, they open up again."

15) Swat at flies that don't exist.

16) Tell people that you can see their aura.

17) Call out, "Group hug!" then enforce it.

18) Grimace painfully while smacking your forehead and muttering "Shut up, all of you, just shut up!"

19) Crack open your briefcase or handbag, and while peering inside, ask, "Got enough air in there?"

20) Stand silently and motionless in the corner, facing the wall, without getting off.

21) Stare at another passenger for a while, then announce in horror, "You're one of THEM!" and back away slowly.

22) Wear a puppet on your hand and use it to talk to the other passengers.

23) Listen to the elevator walls with your stethoscope.

24) Make explosion noises when anyone presses a button.

25) Grinning, stare at another passenger for a while, and then announce, "I have new socks on."

26) Draw a little square on the floor with chalk and announce to the other passengers, "This is my personal space."

And the No. 1 sign how bad the economy is...

1. The economy is so bad that the guy who made \$50 billion disappear (Madoff) is being investigated by the people who made over \$1 trillion disappear (our government)!

Truth be told rage I had a very tough time the past week or two. But I'm still here. I've been hanging around youtube way to much, but I'm fighting against p**n, and without a doubt I've been clean for 90 days, never knew 90 days could take so long. Perhaps I'll post some of my thoughts, I'm a bit dazed right now (Not used to being serious).

Just on the way to work this morning I looked up at the grey overcast horizen, and I never saw a brighter sky in my life (total flake).

MAZAL TOV ME3!

Can you give us a short paragraph or two about your journey, what works for you, what still needs to be worked on, what you feel you accomplished, where your headed, etc... I will post a big Mazal tov in tomorrow's chizuk e-mail - so make sure it's inspiring (you are one seriously inspiring person!)

I've been hanging around youtube way to much

You said it! We all know youtube is poison for us addicts. The Mitzva of "Maaka legagecha" is to teach us that if we don't make good fences, we will fall and be responsible... So what can we do to strengthen that in honor of day 90/ :D
