Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

When I was in middle school, my English teacher assigned an essay: "What is courage?" I received an A+ for turning in a blank page with only my name at the top.

(#970) Women's Shopping Centre (WSC)

[My thanks to DM for the following joke]

Mary goes to the new shopping centre in London. It's unique because it's only for women looking for husbands. Potential husbands are the only goods on display. This is why Mary is there.

When she enters the building, there is a large sign, which says: -

THE LONDON WSC

This WSC centre is laid out over 5 floors

The men here have increasingly better attributes the higher up you go

The rules for entry are simple – you are only allowed in once

Once you open the door to a floor, you must choose a man from that floor

If you go up a floor, you can't go back down except to leave the centre

BEST OF LUCK

Mary goes to the first floor. The sign on the door says

Floor 1: All the men here have jobs, love children and are certainly not lazy

Mary thought, "Well, that's better than not having a job or not loving children, but I wonder what's further up?" So up she goes to the next floor. The sign says

Floor 2: All the men on this floor have executive jobs, love children, are certainly not lazy and are extremely good looking.

"That's better," thought Mary, "but I wonder what's further upstairs?" Up she goes. The sign says

Floor 3: All the men on this floor have executive jobs, love children, are certainly not lazy, are extremely good looking, help with the housework and are not strictly orthodox.

"Wow," thought Mary, "almost perfect and very tempting. But I've come this far and there's more further up!" And so again, up she goes. The sign says

Floor 4: All the men on this floor have executive jobs, love children, are certainly not lazy, are extremely good looking, help with the housework, are not strictly orthodox, are very romantic and know how to satisfy their partner.

"Oy vay, wonderful" she said aloud, "but just think what could be waiting for me upstairs" So up to the fifth and top floor she goes. The sign here says

Floor 5: This floor is just to prove that women are impossible to please. Thank you for

shopping. Have a nice day.

Thaks everyone for the welcome. It's great to be back, a real load off my chest.

@cordnoy I've been back a while. Btw I might come to your neck of the woods after pesach. Maybe you can show me the stores there...

@bigmoish I kind of lost your number. It's in my Israel phone and I lost that. I sent you an email.

Who wants to jump in first and volunteer to open and manage 24/7 a new long awaited Thread

"GYE SHIDDUCH AGENCY" ??

There are two theories to arguing with women. Neither one works.
