Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I belong to Bridegrooms Anonymous. Whenever I feel like getting married, they send over a lady in a housecoat and hair curlers to burn my toast for me. --

Uri, that's hilarious. Now CUT IT OUT, ALL OF YOU!! >  
Love: An obsessive delusion that is cured by marriage

Son: Is it true? Dad, I heard that in ancient China, a man doesn't know his wife until he marries.

Father: That happens everywhere, son, everywhere!

By all means marry. If you get a good wife, you'll be happy. If you get a bad one, you'll become a philosopher. -- Socrates(a philosopher)

I am in total control, but don't tell my wife.

Marriage is a mutual relationship if both parties know when to be mute.

My opinions are my wife's, and she says I'm lucky to have them

I had some words with my wife, and she had some paragraphs with me.

will grant you three wishes." The man says "Great. I always dreamed of this and I know exactly what I want. First, I want 1 Billion dollars in a Swiss bank account." Phoof! There is a flash of light and a piece of paper with account numbers appears in his hand. He continues, "Next, I want a brand new red Ferrari right here." Phoof! There is a flash of light and a bright red brand-new Ferrari appears right next to him. He continues, "Finally, I want to be irresistible to women." Phoof!
