Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Here's a milsa debidichusah. Today I was discussing with some friends about how many Chassidim don't say Tachnun on a Yartzeit of a "Tzadik Mefursam", and many times Chassidim will find the Yartzeit of a "Tzadik Mefursam" on every single day of the year. So I thought that maybe that was the machlokes between Korach and Moshe in this week's parsha. Korach said "Kulam Kedoshim" - they are all holy, there's always a yartzeit of someone holy - so we never need to say Tachnun! But Moshe disagreed, as it says "Vayipol Moshe al Panav".

I surmise (for the JHF department of home affairs) that Adar sheini was probably a litvishe conspiracy, so they could squeeze some more Tachnun for as many years that they could, and the chassidishe made an uprising to with theatrics that ??? ??? ??? ????? ????? ???

EBD didn't *live* in karchei hayam...

He went there to feed his addiction.

In the end, he wound up somewhere else entirely...

Perhaps if GYE had been around then, he never would have went to karchei hayam...

Perhaps if the internet had been around he never would have had to go to Karchei hayam..

and he never would have ended up where he eventually got to..

In other news..

What if Leah HAD married Esav?

What if the Jews did NOT make the Eigel Hazahav?

What if Adam and Chavah RESTRAINED themselves from eating those sweet fruits?

What if R' Yochanan Ben Zakai had asked for MORE?

How many licks does it take to reach the tootsie roll center of a Tootsie pop?

Warning: Spoiler!

So...

Apparently the GYE website is **really old**, cos it's showing a horse and wagon in my signature, which isn't so on mobile
