Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I got this from a Whatsapp chat. I figured Mark would like it.

Man Rules

At last a guy has taken the time to write this all down

Finally, the guys' side of the story.

(I must admit, it's pretty good.)

We always hear 'the rules'

From the female side

Now here are the rules from the male side.

These are our rules!

Please note.. these are all numbered '1 ' ON PURPOSE!

1. Men are NOT mind readers.

1. Learn to work the toilet seat.

You're a big girl. If it's up, put it down.

We need it up, you need it down.

You don't hear us complaining about you leaving it down.

1. Crying is blackmail.

1. Ask for what you want.

Let us be clear on this one:

Subtle hints do not work!

Strong hints do not work!

Obvious hints do not work!

Just say it!

1. Yes and No are perfectly acceptable answers to almost every question.

1. Come to us with a problem only if you want help solving it. That's what we do. Sympathy is what your girlfriends are for.

1. Anything we said 6 months ago is inadmissible in an argument.

In fact, all comments become null and void after 7 Days.

1. If you think you're fat, you probably are.

Don't ask us.

1. If something we said can be interpreted two ways and one of the ways makes you sad or angry, we meant the other one.

1. You can either ask us to do something

or tell us how you want it done.

Not both.

If you already know best how to do it, just do it yourself.

1. Whenever possible, Please say whatever you have to say during commercials.

1. Christopher Columbus did NOT need directions and neither do we.

1. ALL men see in only 16 colors, like Windows default settings.

Peach, for example, is a fruit, not A color. Pumpkin is also a fruit. We have no idea what mauve is.

1. If we ask what is wrong and you say 'nothing,' We will act like nothing's wrong.

We know you are lying, but it is just not worth the hassle.

1. If you ask a question you don't want an answer to, Expect an answer you don't want to hear.

1. When we have to go somewhere, absolutely anything you wear is fine. Really.

1. Don't ask us what we're thinking about unless you are prepared to discuss such topics as baseball or motor sports.

1. You have enough clothes.

1. You have too many shoes.

1. I am in shape. Round IS a shape!

1. Thank you for reading this.

Yes, I know, I have to sleep on the couch tonight.

But did you know men really don't mind that? It's like camping.

Pass this to as many men as you can -

to give them a laugh.....

Pass this to as many women as you can -

To give them a bigger laugh.

On my sponsor's contact I gave him the nickname "My Sponsor." So now I ask Siri to call "My Sponsor" and he calls him. (Siri is an Australian male on my phone).

Also if you do "Ok Google" you can say "3rd Step Prayer" and I'm pretty sure she reads it for you.

AND WHO SAID IPHONES ARE ???!!!

A judge was interviewing a woman regarding her pending divorce, and asked, "What are the grounds for your divorce?"

She replied, "About four acres and a nice little home in the middle of the property with a stream running by."

"No," he said, "I mean what is the foundation of this case?"

"It is made of concrete, brick and mortar," she responded.

"I mean," he continued, "What are your relations like?"

"I have an aunt and uncle living here in town, and so do my husband's parents."

He said, "Do you have a real grudge?"

"No," she replied, "We have a two-car carport and have never really needed one."

"Please," he tried again, "is there any infidelity in your marriage?"

"Yes, both my son and daughter have stereo sets. We don't necessarily like the music, but the answer to your questions is yes."

"Ma'am, does your husband ever beat you up?" "Yes," she responded, "about twice a week he gets up earlier than I do."

Finally, in frustration, the judge asked, "Lady, why do you want a divorce?"

"Oh, I don't want a divorce," she replied. "I've never wanted a divorce. My husband does. He said he can't communicate with me!"

Good analogy to group therapy.

An out-of-towner drove his car into a ditch in a desolated area. Luckily, a local farmer came to help with his big strong horse named Buddy. He hitched Buddy up to the car and yelled, "Pull, Nellie, pull!" Buddy didn't move. Then the farmer hollered, "Pull, Buster, pull!" Buddy didn't respond. Once more the farmer commanded, "Pull, Coco, pull!" Nothing. Then the farmer nonchalantly said, "Pull, Buddy, pull!" And the horse easily dragged the car out of the ditch. The motorist was most appreciative and very curious. He asked the farmer why he called his horse by the wrong name three times. "Well... Buddy is blind and if he thought he was the only one pulling, he wouldn't even try!"

When young, I decided to go to Medical School. At the entrance exam we were asked to rearrange the letters PNEIS and form the name of an important human body part which is most useful when erect.

Warning: Spoiler!
